

How to find the Anatomy Rooms, Aberdeen

Address: The Anatomy Rooms, Shoe Lane, Aberdeen AB10 1AN.

What3Words: shade.names.rider

Access via the back of Marischal College

The nearest car park is Gallowgate Car Park. There is no parking available at the Anatomy Rooms.

Walking Access

From the Gallowgate Car Park, walk down Gallowgate towards Marischal College and continue onto Broad Street.

Walk past Marischal College, and then turn left onto Queen Street.

At the Shoe Lane roundabout, turn left and walk towards the gap between two buildings. You should see a sign for the **soundfestival** on your right during the week of the festival.

Walk through the gap, and then through the tunnel which follows. Once you come out of the tunnel, the entrance to the Anatomy Rooms will be on your right.

Vehicle Access (e.g. if you need to drop off someone who has limited mobility)

From Union Street (Castlegate end), turn right onto Broad Street, and right again onto Queen Street.

At the roundabout, take the first left and continue towards the gap between two buildings. You should see a sign for the **soundfestival** on your right, and a tunnel ahead.

Please drop off any persons in front of the multi-storey car park, being careful not to block any entrances/exits.

Please note: Be careful to not get stuck when dropping someone off, as there is not much room to turn a vehicle (especially a big one).
