## Programme notes

### **Nicola Scrutton *Night Vision***

Written and composed by Nichola Scrutton

At the core of *Night Vision* is a large body of text written in a semi-conscious state during the night over a two-year period. Some of the text was later developed as a script/score for several iterations of the work – album and live performance, with a film and publication in development.

The ensemble performance has a flexible form, and unfolds as a contemplative, dynamic voice sound work that crosses territory between concert, theatre, and live art.

**Performer collaborators:** Alison Peebles, Louise Montgomery, Nerea Bello, Nalini Chetty, Belle Jones

**Director/conductor:** Nichola Scrutton

**Outside eye:** Nicholas Bone

**Producer:** Nichola Scrutton

Special thanks to Ian Spink for his contribution as a performer collaborator from seed development in 2019 through to performances earlier in 2023.

*Night Vision* is supported by Creative Scotland. Many thanks to all at **soundfestival**.
